## EDUCATION

•**ISBM College of Engineering, Mulshi** *Aug-2022 to May-2025*
*B.E in Computer Engineering* CGPA: 8.5

•**Government Polytechnic, Dhule** *June-2022*
*Diploma in Computer Science* Percentage: 85.66%

•**Good Shepherd Academy, Sakri** *June-2019*
*Maharashtra State Board of Secondary and Higher Secondary Education* Percentage: 88.40%

## PERSONAL PROJECTS

•**Personal Portfolio Website** *HTML, CSS and JavaScript*

– Develop a professional portfolio website showcasing your skills, projects and experiences.
– Include sections such as About Me, Projects, Skills and Contact Information.
– Implement responsive design to ensure compatibility across various devices

•**Book Management System** *Java and Java FX for UI*

– Develop a simple book management system where users can add, view, update and delete books.
– Use Java for the backend logic and JavaFX for creating the graphical user interface.
– Implement CRUD operations for managing books and store data using file handling or a lightweight database like SQLite.

•**FilesOrganizer Project** *Node.js, FS and Path Module*

– FilesOrganizer Project is Commandline based application.
– Developed FilesOrganizer Project using JavaScript and Node.js to automatically categorize files by extension into designated category directories (e.g., Media for .mp4, .mp3).
– Implemented key commands like 'organize' for sorting, 'tree' for directory structure display and 'help' for user guidance.
– Enhanced user experience with automated current directory handling, showcasing advanced skills in software development and file management.

## TECHNICAL SKILLS AND INTERESTS

**Languages**: C/C++, Java, Python and JavaScript

**Developer Tools**: VS Code and Eclipse

**Development**: HTML, CSS, Bootstrap, JavaScript and Node.js

**Databases**: MySQL and SQLite

**Coursework**: DSA, DBMS, Object Oriented Programming, Operating Systems and Computer Network

**Soft Skills**: Communication Skill, Teamwork & Collaboration, Adaptability & Flexibility and Time Management

**Areas of Interest**: Web Development

## CERTIFICATIONS

•**Web Development** - Front-end and back-end web development basics. *Udemy*
•**Azure Fundamentals** - Cloud computing principles with Microsoft Azure. *Microsoft*
•**Database Management Systems (DBMS)**- Fundamental DBMS concepts and SQL. *Pumo Technovation*

## LANGUAGES

• **English** - Full Professional Proficiency
• **Marathi** - Native or Bilingual Proficiency
• **Hindi** - Native or Bilingual Proficiency

## CO − CURRICULAR ACTIVITIES

• Represented at District Level Declamation
• Volunteer Work for NGO
